

Dear Prospective Member:

On behalf of the Board of Directors and members of the Nappanee Area Chamber of Commerce, we invite you to consider a membership in the Nappanee Area Chamber of Commerce.

It is our hope you will learn more about the Chamber of Commerce and how it can benefit you and your business. Without the involvement and commitment of the business community, the Chamber of Commerce could not exist.

The Nappanee Area Chamber of Commerce is geared toward improving the business climate of the community. By taking an active role in promoting local businesses, community committees and task forces, tourism, attracting new business, and local festivals, the Chamber of Commerce's influence grows.

I look forward to working with you and helping your business grow. Our focus is on engaging businesses and networking to help grow your business. When many gather and work together it makes light work for all.

The one question that comes up often is "What does the Chamber do for me?" The answer is we promote and encourage your business, through print, emails, websites and word of mouth. The Chamber will help you get involved with other local business owners. This networking or getting engaged is what makes Nappanee different from other cities and towns. Here we can sit down and have a cup of coffee or soda and talk through what is working and what is not.

I have included a membership packet and pricing for you. Please look it over and contact me with any questions that you may have. We are over 175 members and growing. Will you be the next business to join the Chamber?

Sincerely,

A handwritten signature in blue ink that reads 'Jeff Kitson'.
